

A banner featuring a stylized American flag with horizontal stripes in dark red and white. The stripes are slightly wavy. On the right side, there is a dark blue rectangular area with a torn edge effect. Inside this area, the text "USA STRAINS" is written in white, bold, sans-serif capital letters.

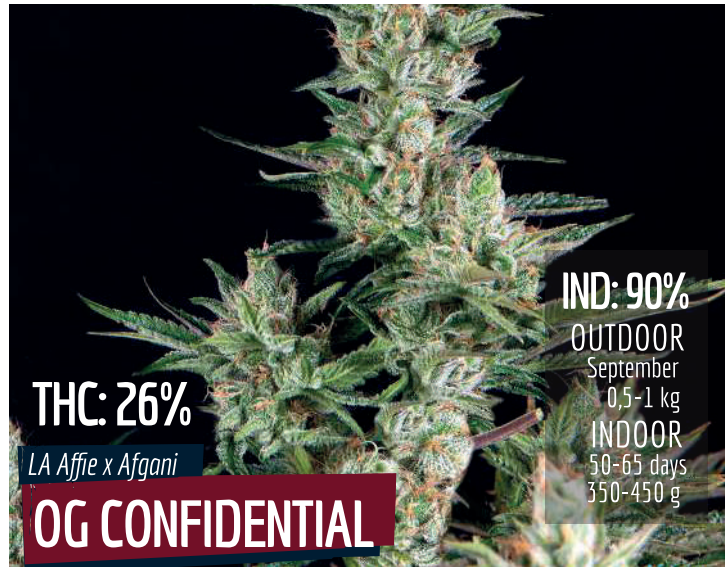

USA  
STRAINS

A dark blue banner with a textured, grainy appearance. The text "Trikoma Seeds" is written in a large, white, stylized font with a drop shadow and a fringe-like effect at the bottom. Below the main text, there is a smaller banner that says "Barcelona" and "EST. 2009".

This variety stands out for its sweet and fruity taste, ease of cultivation and powerful effect. It is an ideal variety for recreational use thanks to its high level of THC that produces a cheerful and long-lasting cerebral euphoria and also for therapeutic use for its properties to combat stress, insomnia and headaches. The buds are dense but resistant to fungi.

This famous American variety is practically a pure Indica with a long lasting and positive effect that is relaxing and euphoric. Medium height plant with a compact structure and dense resinous flowers with pistils of lilac and reddish tones. It gives off a sweet penetrating aroma and its flavor is earthy and a bit spicy. Its sedative and analgesic effect gives it medicinal applications.

This vigorous Indica is famous for its citrus flavor and its powerful and lasting Kush effect. Its buds are hard and compact with a fruity, floral flavor and hints of wood and diesel. The plant is easy to cultivate and during its growth it gets blue and red tones. It produces a large amount of resin and it's very rich in terpenes, so it is widely used to make concentrates.

This powerful Indica is a classic. Its aroma is a delicious combination of citrus fruits, exotic fruits and its flavor is fruity with a touch of diesel. It has a very fast and intense effect that leaves the body totally relaxed while maintaining the mind clear. Effectively relieves stress and improves mood. The plant is very productive despite its small size.

This Californian gem has a delicious aroma of pine and citrus and an interesting and very balanced effect that starts with a cheerful euphoria and positivity to move to a deep relaxation that invites you to stay on the couch. The plant is very aromatic, it has a vigorous and rapid growth and short flowering. Its impressive resin production makes it ideal for extractions.

This famous American strain has a succulent flavor of fruits and sweet biscuits and an intoxicating aroma. Its effect is very balanced, it relaxes both body and mind without leaving the consumer too sedated. From the first puff all the muscles are relaxed with a strong high clearing the negative thoughts and after a while a cheerful feeling of euphoria appears.
